

La natura è vita, il rispetto è la nostra mission.

Freddi Bathroom è un brand di Ivab, impresa con più di vent'anni di esperienza nel settore dell'arredo bagno. Il nostro marchio si distingue per la funzionalità ed il design delle collezioni, curate nelle finiture e nei dettagli.

La nostra produzione è **100% Made In Italy**.

La società nasce con la cultura del design e della ricerca costante, per questo motivo Freddi Bathroom si impegna nell'innovarsi sempre sia nelle nuove tecnologie, sia nella scelta di materiali di prima qualità, che sono inoltre sostenibili: **tutti i nostri prodotti in legno sono certificati** dalla PEFC e FSC®, enti che garantiscono la qualità della materia prima, relativamente a standard ambientali, sociali ed economici.

Freddi Bathroom is a brand from IVAB, a company with more than 20 years' experience in bathroom fittings and furnishings. Our brand is known for the design and functionality of our collections, which are beautifully finished right down to the tiniest detail.

Our production is 100% Made In Italy.

Our company is based on design culture and ongoing research, therefore Freddi Bathroom is committed to innovation and new technologies, and top-quality materials that safeguard the environment. All our wood products are endorsed by the PEFC and FSC®, organisations that guarantee the quality of raw materials in accordance with environmental, social and economic standards.

kubic

love your spaces

Composizione in Talpa Brown e Lambrusco White, lavabo in mineralmarmo.
Composition in Talpa Brown and White Lambrusco, Mineral marble washbasin.

La linea Kubic ha linee minimal ed è componibile con la massima personalizzazione. Le composizioni, infatti, possono essere sia con cassetti ed ante, con gole che facilitano l'apertura, sia con vani a giorno. Disponibile in varie misure e colorazioni, anche bicolore, per incontrare i gusti più differenti.

The Kubic line features arrangements with both drawers and doors and open compartments. Available in various colours and sizes and two-tone to appeal to the most diverse tastes. Designed with grooves for easier opening of drawers and doors, Kubic has minimalist lines and maximum impact.

Lavabo in mineralmarmo con vasca laterale, per avere tanto spazio d'appoggio in più.

Mineral marble sink basin with left/right-hand bowl providing countertop space for extra convenience.

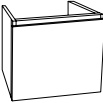

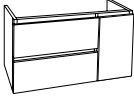

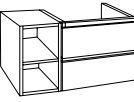

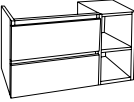

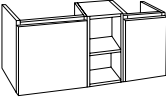

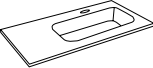

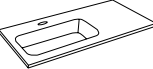

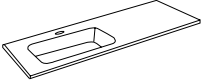

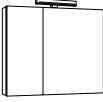

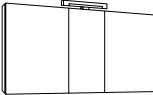

Spaziosi vani a giorno, con differenti dimensioni, per personalizzare il bagno con infinite scelte di composizioni, sia nelle colorazioni laccate, sia nei laminati.

Spacious open compartments of varying dimensions to design your bathroom with an infinite range of colours and lacquer or laminate finishes.

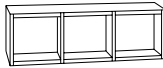

Mobile disponibile con maniglia cromata.

Available with chrome handles

Composizione in Carta da zucchero, con top in Pietra grigio Beton e lavabo in mineralmarmo
Composition in Mid Blue, with Worktop in Stone Grey Beton and Mineral marble washbasin

Senza gole né maniglie, la linea Top si differenzia per le linee pulite e raffinate. Mobili adatti per bagni moderni, ma anche per ambienti classici ed eleganti. Versatile sia nella scelta di complementi, sia nelle finiture: laccati opachi o lucidi, in accurate varianti di colore, contrapposti a laminati che vanno dal legno fino alla pietra.

With no grooves or handles this line stands out with its sharp sophisticated lines. Cabinets for modern bathrooms which also fit well in classic elegant surroundings. Versatile choice of accessories and finishes - opaque or gloss lacquer finish in distinct colour variations, contrasting with a wood or stone laminate finish.

Mensole disponibili sia in legno, sia nella nuova finitura Pietra: texture ispirate dalle murature urbane tipiche dell'architettura industriale, per aggiungere carattere al bagno.

Countertops available in wood and the new stone finish - textures that are inspired by the typical urban brickwork of industrial architecture, giving bathrooms character.

Lavabi d'appoggio disponibili rettangolari e ovali. Cassetti e ante vengono dotate di apertura pushpull e chiusura soft-close. Mobili disponibili sia sospesi, che nella versione a terra.

Rectangular and oval countertop basins available. Drawers and doors have a soft-close mechanism and touch set opening. Wall-hung and floor cabinets available.

Disponibile con maniglia cromata

cenere
home sweet home

Lavanderia con un design moderno e raffinato, che vuole trasmettere sia eleganza, ma anche praticità, con tante soluzioni differenti, grazie alla modularità dell'intera linea. Cenere è per chi ama la funzionalità, ma non rinuncia al glamour e al design.

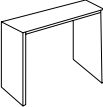

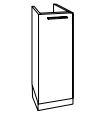

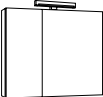

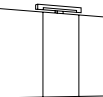

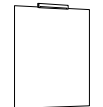

Laundry and utility cabinets with a modern, sophisticated look which is smart but also practical, with numerous different solutions thanks to the modularity of the entire line. Cenere is for anyone seeking functionality without having to compromise on glamour and design.

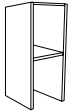

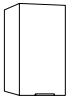

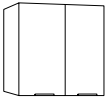

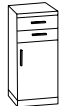

Lavabo in mineralmarmo, con ampia capienza. Grazie all'elevata profondità di 68 cm, è possibile avere anche la base porta lavatrice.

Large mineral marble basin. Thanks to its significant depth of 68 cm the washing machine base unit is also an option.
