U N I Q U E B A T H R O O M E X P E R I E N C E

La società IVAB nasce nel 1990 dai fratelli Freddi, a Casto (BS) ed è da sempre un'azienda specializzata nell'arredamento della stanza da bagno. Si distingue per il design e la qualità delle collezioni curate nelle finiture e nei dettagli in modo quasi maniacale ma anche per la grande attenzione dedicata al rapporto qualità/prezzo. La totalità della produzione è realizzata in Italia. Tutti processi produttivi sono gestiti internamente grazie a tecnologie all'avanguardia e impianti robotizzati per la produzione di manufatti in fusione, accoppiamenti meccanici, lavorazioni a controllo numerico, saldature, finiture superficiali, tagli laser, imbutiture e tranciature.

The company IVAB was set up in Casto, to the north of Brescia, in 1990 by the Freddi brothers and has always been a specialist in bathroom furnishing. IVAB stands out not only for the fine design and the quality of its collections in terms of accurate finish and painstaking care to detail but also for the great attention paid to the quality-to-price ratio. All bathroom accessories are entirely manufactured in its own factories located in Italy. All the stages of the production process are handled, using latest-generation technology and fully automated systems for the production of forged items, including such operations as mechanical assembly, numerical control machining, welding, surface finishing, laser cutting, deep drawing and cutting.

WARRANTY 10 YEARS

Ivab attesta che il trattamento di cromatura dei propri prodotti è garantito 10 anni.

La splendida tonalità grigia tendente all'azzurro è la tipica colorazione che assume ogni prodotto che ha subito un processo galvanico di cromatura effettuato a regola d'arte e risponde in termini estetici alle esigenze del pubblico più esigente e raffinato. Per la pulizia raccomandiamo di utilizzare esclusivamente un panno morbido eventualmente inumidito con acqua. Assolutamente non devono essere usati prodotti contenenti acidi corrosivi di ogni genere, specialmente acido cloridrico, anche se in piccole percentuali. Si declina ogni responsabilità derivante da utilizzo improprio dei prodotti o da mancata osservanza di quanto sopra citato.

Ivab attests that the chrome treatment of its products is guaranteed 10 years.

The brilliant grey shade tending to light blue is the typical colouring which each product takes after a workmanlike galvanic process of chrome plating and it meets the aesthetic of a more exigent and refined public. For its cleaning it recommended not to use any products containing any kind of corrosive acids, especially hydrochloric acids, even if in small quantities. Ivab declines any responsibility due to improper use of the products or non-observance of what above mentioned.
